

L'ESPCI ParisTech vous présente ses meilleurs vœux pour 2015

With **96 undergraduate students**, selected among the best and brightest on each of the 11 recruiting tracks, the incoming **class of 2018** is the largest in the history of ESPCI ParisTech.

It is sponsored for 3 years by **Withings**, the French flagship company for connected objects in the field of health. The choice of a start-up with a high-growth potential as a sponsor is a testimony to the culture of innovation and entrepreneurship of ESPCI ParisTech.

The **96 undergraduate students of the class of 2018** during the sponsorship signing ceremony, with Marie-Christine **Lemardeley**, President of the School and Deputy Mayor of Paris in charge of higher education, research and student life, Jean-François **Joanny**, Director-General & Eric **Carreel**, Founding Chairman of Withings.
